Dear Rev. Chris & Anita Oyakhilome,

Many year ago, the Holy Spirit has put me on prayer intersection, and as i continue to pray, One day I wacht Pastor Christ on Loveworld TV teaching on how to use our Mouth for Better result according to Romance 10 verse 9.

“With the heart Man believed unto Righteousness, and with your Mouth you decree the life you want to enjoy.” The key was the way he explain it! Simple but very loaded... From that Moment i felt very strong in my Spirit to order his tapes as you can see some of (my Customer ID 2010 and partnership letter)... Then I began to receive a new Mind set. Just the next I have ordered All the books from Nigeria and by the time i finished reading “ when God visit you” ,he came in my dream, gave me a Financial Miracle , and instructed me to start the the Christ Embassy church Wiesbaden! The more I listen to him, is just like i am receiving instruction from him, clarity, Direction... I can still remember when he told me to study Word “Hermeneutic”! As I started, my preparation for the work of the ministry was established. Actually all began early 2006, but the Christ Embassy church Wiesbaden started gradually 2009 and I have already ministered in Christ Embassy Church Köln and Frankfurt with Great result.

As you can see the Holy Spirit has blessed me also with worship music.
